To Teamster Local Union No. 455:

It is truly an honor to be selected for this esteemed award and I can't find the words to say how much I greatly appreciate being chosen. This award will help me achieve my future goals of furthering my higher education at Colorado State University –Fort Collins. I will be majoring in animal science where I can continue to peruse my passion of caring for animals. Once again I would like to express my gratitude for selecting me for this award.

Sincerely,

*Elizabeth Berntsen*
