Dear Teamsters Union Number 455,

Thank you for awarding me one of the \$2000 Scholarship Award. It is greatly appreciated, and will be put to good use. I plan to use it for books and tuition next year as I will be a freshman at the University of Northern Colorado. I plan to use the money to further my knowledge in a career in natural and health sciences. Thank you very much!

Sincerely,  
Hannah Scheck
