Teamsters Local Union No. 455:

I would like to take this opportunity to sincerely thank Teamsters Local Union No. 455 for awarding me this scholarship. I accept this award with much gratitude and honor.

I will graduate from Horizon High School with honors on May 17th and I was recently accepted into the Leeds School of Business at the University of Colorado. I will attend CU Boulder in the fall and plan to major in Business and Dance. Dance is my passion and I have trained in dance since I was 3 years old. I also teach dance and with a business degree, I hope to someday own my own studio and fulfill my dreams by sharing my love for dance while inspiring others.

My dad has been a teamster member for many years and I appreciate the support of the Teamsters Union as he works hard to provide for our family and to pay for my college education. Both of my grandfathers are also members of Teamsters.

I will apply this scholarship towards my tuition. I understand the value of education and will continue to work hard on my academics and being involved with my school and community.

Thank you again from the bottom of my heart, this scholarship means a lot to me.

Sincerely,

Jenessa Monson
