

Dear Teamsters Local Union no. 455,

I happily accept the scholarship and I am grateful that you chose me to receive this much appreciated scholarship. I would like to thank the Teamsters Local Union no. 455 and all of its members for the scholarship money.

I plan to use the money towards my 2010 tuition at the University of Miami in Coral Gables, Florida. I am planning to double major in biology and marine science.

Thank you for helping to ease the financial burden of my family and myself.

Sincerely,
