

Dear Local Teamsters Union 455,

Thank you for this scholarship. It will help provide me with an opportunity to achieve my dream of becoming a civil and architectural engineer. This scholarship will go towards helping to pay for my books and supplies as well as room and board. With this scholarship I will be able to attend the engineering program up at the University of Colorado at Boulder. Where I plan to major in civil engineering and use my degree to help innovate the infrastructure of today's modern society. Again I thank you for your generosity and this scholarship.

Thank You,

A handwritten signature in black ink that reads "Tyler Hunt". The signature is written in a cursive style with a long horizontal stroke extending to the right.

Tyler Hunt
